THE KAUFMANN STORE

And Now Comes An Event of Pre-Eminent Importance
to the Woman of To-Day

KAUFMANN & COMPANY ANNOUNCES THE "OLYMPIC" OPENING OF SPORTS APPAREL FOR LATE SPRING and SUMMER

Words Suggested by CROQUET

IN thinking of sports, the
mind inevitably reverts
to Croquet!

I see your smile disdainful
and hear you murmuring
something about ping-pang
and tating.

Baseball! Polo! Hydro-
aeroplaning! Golf!
You are instantly atten-
tive and breath deeper!
Nevertheless, Croquet IS
important.

Because it is important to
realize that we are ALL
speeding along at a terrific
pace with our faces sun-
ward.

And it is important to get
in the game!

What game?

Any game that suits your
gait.

But not Croquet!

Incidentally we wonder
what in the name of the gods
on high Olympus will be the
speed of our grandchildren.

SPORTS APPAREL is in
the same class with the
typewriter, the telephone,
the steam engine, gasoline,
and wireless.

It means speed; speed
means power; power means
knowledge, and knowledge is
Godly.

SPORTS CLOTHES will
develop but one thing is as
sure as the growth of knowl-
edge, they have come to
stay.

SPORTS APPAREL head-
quarters for the South will
be at the Kaufmann Store.

Our service in these will
cover all that the markets
afford. All that is practical
and desirable.

Our exclusive modes will
continue to be known as
Kaufmann's Olympitops.

Our Sports Hats will con-
tinue to grow in popularity,
known as Kaufmann's Olym-
pitops.

Which endeth the discus-
sion on Croquet.

Sports Suits

THE element of style in
"Olympitops" has only
within recent seasons
been accorded its proper
importance. The present
season for the first time
the designers of Paris have
offered models reflecting
their characteristic talent.

Most notable among these
are the creations of Lan-
vin who leads in the de-
signing of youthful wear-
ables.

Designers of England have
long given care to sports
togger, and among these
Bradley's originations are
well up toward the top.

Hickson has produced some
things notably swagger in
"Costumes des Sports."

In Sports Dresses the influ-
ence of Paris is more evi-
dent.

The price range in the copies
we show are especially
noteworthy.

We have been energetic in
securing worthy styles, re-
gardless of the price re-
quired.

Light weight wool Jersey Suits
are shown in a variety of
models, ranging from \$20.00 to
\$35.00.

Swagger lines and smart contrasts
in color characterize these suits.
One model, belted and with collar,
has lapels and cuffs faced in
contrasting shades; Copen, for
example, or maize faced with
royal, rose faced white, maize
with white, etc.

Our Sports Velours must not be
overlooked. They have created
something of a sensation at
\$15.00. Shown in rose, Copen
and mustard, with patch pock-
ets and full belted.

"Kaiser" Silk is well represented
among the most delightful con-
cepts. There are suits the skirts
of which are in solid color, the
jackets striped in green, rose,
Copen and gold alternating
with white. Prices range
\$25.00, \$35.00 and \$40.00.

Pongee and Roger Silk are shown
in new things distinctly pleas-
ing. Of these, the suits with
blazer striped skirt to match the
coat collar and cuffs are nota-
ble.

Other models in these fabrics are
shown in gray, tan and white.

White Serge
White serge has been used with
the utmost effectiveness in this

back. The coat buttons high to
the neck, or may be worn open;

rose silk. A leader at \$25.00.
